RETURNING CAMPER HORSE CAMPS (no presentation at the end of camp)

There are two weeks of camp for returning campers and they are reserved for campers who have previously attended WestWind Stables Overnight Horse camp or are currently in the lesson program at WestWind Stables, Inc. This week will involve more advanced riding and faster gaits. (Please do not register for this week if you do not want to ride faster than a trot on trail even if you have attended camp before). Since all of our campers who attend the weeks below are returning campers we will not have a presentation at the end of camp on Friday.

_____ June 27th - July 2nd

_____ August 1st – August 6th

The cost to attend camp is \$725.00 per week (same cost as last year). This fee includes lodging, meals, your own horse for the week, educational materials, prizes, and all riding lessons. By returning this registration form I have enclosed a \$300.00 deposit to reserve my child's spot at camp. I understand and agree that all camp tuition and payments are nonrefundable. I also agree to send the remainder of the camp fee no later than two weeks before the start of camp.
